

UFS Geography – Long Term Plan

Planned Activities to teach knowledge skills and vocabulary.

Autumn 1 All about Me! Autumn	Autumn 2 Celebrations	Spring 1 Winter	Spring 2 New Life Growing Spring	Summer 1 Traditional tales	Summer 2 Summer In the Jungle
Talk about my house and who lives there. Talk about the place where I live and the places I visit. Looking at and creating simple maps. My journey to school. Seasonal changes - Autumn	Diwali – Life in India / locating India on the globe. Journeys – The Gruffalo / Stickman / The Jolly Postman	Chinese New Year – Compare to our celebrations / Life in China / locate China on the globe Hibernation and migration. Explore and find out about polar bears and penguins. How does their environment differ from where we live? Locate the Arctic and Antarctica on the globe Seasonal changes – winter	What does a seed need to grow? Growing and decay. Life cycles – Chicken Seasonal changes – Spring	Story maps Traditional tales from around the world	Seasonal changes – summer Jungle animals – habitats Locate and explore where there are Jungle areas on the globe. How does this environment differ from where we live?

Child-initiated activities in the continuous provision areas indoors and outdoors allow children time to follow their interests, explore through their senses and embed skills, concepts and knowledge. The children will be encouraged to share their experiences, observations and knowledge, develop skills of investigation and ask and answer questions.
