Dear Parent/Carer

Year 6 Transition

We would like to offer you the opportunity to attend a Year 6 Parent Information Evening at Ossett Academy on Tuesday 21 April 2026, for those that have received a school place for September 2026. This is an opportunity to be welcomed to the Ossett Academy community by our Head of Academy Mr Lunn so you can learn about the transition process from this point.

As an academy, we are committed to a smooth and timely transition that allows each child to move schools successfully and we believe parents and carers play a key role in this transition, so you too can feel reassured that your children are safe and happy. Starting a new school is a milestone for both you and your child. It is a time to be celebrated. We fully understand how worried you might be about your child's transition so please be assured we will be talking to our pyramid primary schools, as we always do. We will find out where your child is in their learning which will help us ensure as smooth a transition as possible for all pupils currently in Year 6, who are transferring to Ossett Academy in September 2026.

We are expecting 300 pupils to be joining us as Year 7s and to enable all pupils and their parent/carers to attend the Information Evening we will run the event twice on the same evening. **The two sessions will be 5:30 – 6:00pm and 6:30 – 7:00pm. Can I request that pupils with surnames A – K attend at 5:30pm and pupils with surnames L – Z attend at 6:30pm to reduce any potential overcrowding and to ease congestion.**

This Information Evening is a dedicated transition event for the cohort of 2026 and through the course of the next few months you will receive further information about other events, activities, and information sharing. Our website will also be regularly updated with key information and dates in the dedicated transition section https://ossett.accordmat.org/y6transition/ and please follow us on our Facebook page to see what we are getting up to.

IMPORTANT, Polite reminder: Up-to-date Contact Information
